

REPORT QUALITY OF LIFE ISSUES

The **SoHo Broadway Initiative** is dedicated to improving the quality of life of people who live, work, shop and explore in the SoHo Broadway neighborhood. We rely on partners in City government to help address the community's quality of life concerns in the district. We have put together this guide for community members to report quality of life issues. It will take our combined efforts to ensure that SoHo Broadway is a safe, functional, and pleasant neighborhood. Please also notify Dan Hogle, SoHo Broadway's Director of Community Affairs and Operations at dhogle@sohobroadway.org or (212) 390-1131 x2 after you file a 311 report or reach out to elected officials about quality of life issues.

REPORT TO 311

311 is the best way to report non-emergency quality of life issues within the district to the City. When you file a complaint through NYC 311 by phone (call or text 3-1-1) or online (<https://portal.311.nyc.gov/report-problems/>), your report will be sent to the relevant City agency who will work to address the issue.
